1. Sport Issues Survey : Deadline October 11, 2011

Thank you to over 100 sport organizations who have told us 'what's working and what's not', in our initial surveying of Toronto sport and recreation groups. It is our mission to represent all sports and groups in the City and GTA area, so the survey will remain open until Oct 11 to encourage responses.

If you're interested go [now to the survey](#) and join us for the summary presentation and interactive discussion on Oct 15 at the 2011 Sport Workshop. More [info can be found here](#), and the workshop registration [can be found here](#).

For those sports not identified specifically in this survey please bear with us as we will make changes to our survey instrument in the future to identify all sports participation. It is our objective to have 100% participation so we are in fact the Voice For Sport in this area.

2. Tobacco-Free Reduction Sport and Recreation Grant Program

City of Toronto non-profit sport and recreation groups are invited to take part in the 2011 grant program if they plan to "create and implement a policy to promote tobacco-free sport and recreation activities" for their groups. Grants of \$500 are available and deadline for grant applications is Oct 14.
