Toronto City Council has endorsed a Host City Showcase Program to support the City's efforts in

preparing for the Games and fulfilling Toronto's Host City role. The program has many projects and initiatives that aim to boost economic development and tourism, foster sport development and healthy living, increase resident engagement in the Games, deliver cultural celebrations and extend the benefits of the TORONTO 2015 Games across the City. Visit toronto.ca/panam2015 and click on Proud Host City to learn more about the Host City Showcase Program.

Two of the showcase initiatives are Game on Toronto! and Play On! PARASPORT

Game on Toronto! is a short-term funding program for community sport groups, sport clubs, leagues and associations to assist with projects that improve access to sport services for all Torontonians. Projects eligible for funding must focus on sport enhancement and development and/or increasing volunteerism in sport. More information and applications will be available this summer by clicking on Proud Host City at toronto.ca/panam2015

Play On! PARASPORT. The City of Toronto Parks, Forestry & Recreation Division is partnering with ParaSport Ontario to offer this brand new multi-sport program for persons with physical disabilities. All Play On! PARASPORT sessions will be offered at no charge to Toronto residents for the first year and will be led by parasport or Paralympic athlete ambassadors or coaches. Weekly sessions start this fall at the Etobicoke Olympium and the Toronto Pan Am Aquatic Centre. More information can be found by clicking on Proud Host City at toronto.ca/panam2015

Please Hold the Date: Mayoralty Debate Confirmed for September 30.
