Toronto Emerging Athletes Mentorship (TEAM) Fund Thank You to all Applicants

We thank all athletes who submitted an application to receive 2014 financial support from the TEAM Fund. Sixty two applications were received and six athletes received funding. All applicants have been notified of the outcome of their application.

It became very clear, during the selection process, that there are many more young athletes who need financial support to stay in sport. Please let us know if you or someone you know is interested in financially contributing to the fund.

Sports Fields Inventory Threat - Toronto District School Board

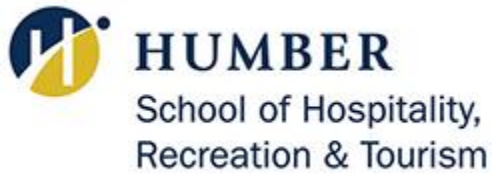

The Toronto Sports Council continues to pursue its role as the Voice for Sport in Toronto by participating on various City and community committees. One of those committees involves working with some sport organizations on a TDSB subcommittee to discuss concerns regarding field conditions and user access.

An issue of high importance is the question surrounding the sales of School Board properties and the impact of those sales on the sports fields inventory in Toronto.

Humber Intern Supervisors - THANK YOU

The Winter intake of Humber Sport Management student interns has been successful. Thank you to all individuals and organizations who are supervising interns this Winter and to all individuals who continue to submit a template to request a non-paid student intern. The internship positions begin every September and January.
