## [City of Toronto Sport Plan](#)

January 27, 2016 - The Community Development and Recreation Committee of Toronto City Council approved the Project Outline and Stakeholder Engagement Plan for the development of a Sport Plan for the city. While the immediate result of such a plan will be to inform the planning and delivery of City-based recreational sport programs, the areas of focus include "Partnership development with community sport organizations and other community sport program providers." The Toronto Sports Council has been involved in helping establish the Project Outline and will continue to be an active participant in all consultations and other proceedings. Be sure to follow us on twitter @TOSportsCouncil and watch the TSC website for updates.

---

## [Meet the TSC Humber Sport Management Interns](#)

The TSC welcomes three student Humber Sport Management Interns. Joining us for the Winter 2016 term are from left to right Amanda Borne (providing research support to the Rexdale Multi-Sport Collaborative) Andrew Pacheco (supporting the TEAM Fund Committee with enhancement of promotional and administrative processes) and Anthony Manserra (focusing on marketing and communications through social media). Visit our website if you'd like to learn

more about the Humber Sport Management Internship Program.

## Toronto Emerging Athletes Mentorship (TEAM) Fund - Year Three

The TEAM Fund continues to provide funding to more emerging athletes. 17 athletes received funding in 2016. This is an increase in athlete grants from 11 athletes in 2015 and 6 athletes in its inaugural 2014 year. The TEAM Fund is a legacy of the 2012 Ontario Summer Games which was hosted by the City of Toronto. A key objective for the TSC's involvement in the planning of the Games was to 'build the base' for the future. The ongoing challenge for the TEAM fund will be securing additional funds and promoting the availability of the grants to more athletes in more sports. For more information on the TEAM Fund, please visit our website or email [info@torontosportscouncil.ca](mailto:info@torontosportscouncil.ca)

## Social Media Adds VALUE for our Partners

The Toronto Sports Council is appreciative of the partners we work with. Whether it's a sponsor of the website, advertisers in our e-newsletter, a collaborative project or a more comprehensive service agreement, we depend on our partners to help us sustain what we do. One of the social media vehicles we use to support our partners is our twitter @TOSportscouncil. With more than 2,400 followers, our reach is becoming larger and our engagement greater. If you don't have twitter, you can view our twitter posts daily on the homepage of our website <http://torontosportscouncil.ca>. For sponsorship opportunities or social media inquiries, please contact [kevin@torontosportscouncil.ca](mailto:kevin@torontosportscouncil.ca).

As part of the new anti-spam legislation required for all businesses, please let us know if you would like to be removed from email distribution going forward by replying to this email and entering unsubscribe in the subject line.
